Academic Year 2025/2026

- **1st semester (winter):** From the beginning of September to the beginning of February
- **2nd semester (spring):** From the beginning of February to the beginning of July

The most updated academic calendar is [here](#).

Nomination process

- **For the 1st semester:** Nominations **before May 15th**
- **For the 2nd semester:** Nominations **before October 15th**

Nominations must be done by home university personnel, completing this quick [online nomination form](#). **Nominations directly done by students will not be accepted.**

Days after the nomination, **students will receive a Registration Guide with all pertinent information.**

Registration process

- **For the 1st semester:** Registration **before June 1st**
- **For the 2nd semester:** Registration **before November 15th**

Registration will be done by the students, through our online platform (information will be sent to nominated students). They will need to upload the following documents:

- ID / Passport copy
- Transcript of records
- Learning Agreement signed by the student and home coordinator
- Insurance coverage letter and payment receipt, according to the instructions from the Registration Guide

Admission

After the correct nomination, students will receive our Registration Guide with information about the steps to follow, accommodation, transportation, university services, etc., and after the required documents are received correctly, we will send a **Letter of Acceptance**.

Study Plans

Our academic offer, as well as subjects offered, including those in English and English Friendly, can be found [here](#).

Language requirements

There is not a language certificate requirement in order to study in our Faculties. However, **we strongly recommend to have, at least, a B2 level of Spanish** and, in case the students follow courses taught in English, also a B2 level of English. Otherwise, they may not be able to complete the courses successfully.
