- Automation Engineering, Bachelor
- International Business Management, Master

# How to apply to SEAMK?

Please read instructions first:

[www.seamk.fi/how-to-apply-exchange-students](http://www.seamk.fi/how-to-apply-exchange-students)

1. Find the right programme for you  
[www.seamk.fi/exchange](http://www.seamk.fi/exchange)  
and make sure to secure a permission to go abroad according to guidelines from your home university
2. Your home university (International Office) nominates you to SEAMK as an exchange or double degree student  
**by 15 April**  
for studies starting in autumn semester 2025
3. Start drafting your Learning Agreement with home institution contact persons, based on instructions on [SEAMK programme websites](#)
4. Receive an email invitation with login instructions, to fill out your application via the SoleMove system  
**by 15 May**
5. Acceptance Letters arrive to student email via SoleMove system by mid to late June with practical instructions regarding housing, insurances, travelling, etc.

# Money, money, money

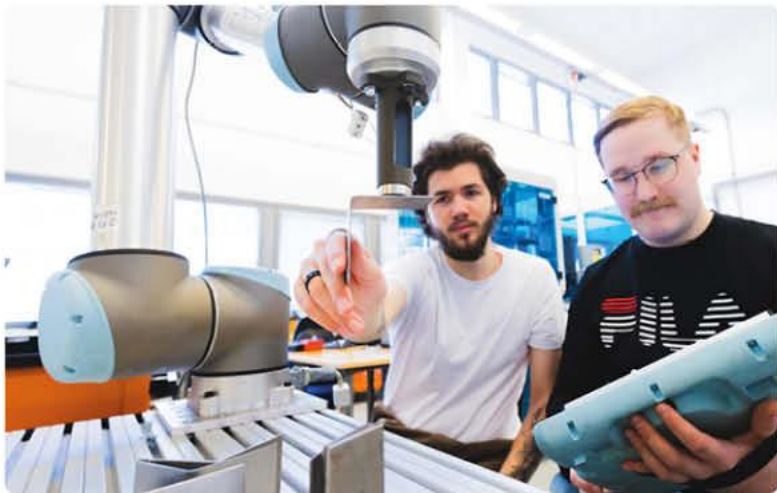

- Most of our partner institutions send students here with an **Erasmus+ grant**.
- We do accept our partner institutions' students for exchange semesters also **without an Erasmus+ grant**, still **without a tuition fee**.
- In general, the Finnish Immigration Service Migri recommends students to have about 800 euros per month for living in Finland.
- Importantly, the **cost of living** in Seinäjoki is reasonable within Finland.  
Most incoming students stay in the rental apartments of a company called [Sevas](#), located near campus. Prices range depending on housing type, but for about 300-500 euros it is possible to get a place in an apartment with amenities included (Internet, water, electricity, laundry room, sauna...).
- There are also other options, such as [Hostel Bjorkenheim](#) located about 2,5 kilometer from campus, and private rentals which can be found via services such as [Vuokraovi](#).
- The price of student lunch on campus (weekdays) is 2,95 euros.

# Need more reasons to arrive? We've got you!

- At SEAMK, students are at the heart of everything we do: **we value our students** and care about the **quality of teaching and continuous development**.
- **SEAMK has been ranked among the top three universities of applied sciences in Finland for the sixth consecutive year** in the latest results of the [nationwide graduand feedback questionnaire \(AVOP\)](#). According to the bachelor's degree graduates, SEAMK offers the **best learning environments**, entrepreneurial readiness, and thesis writing conditions in Finland. Also highly ranked are studies, **student support services**, work-life connections, career guidance, and **student satisfaction**. Campus studies extend with **our high quality e-learning platforms and methods**.
- Additionally, we have **the best student union in Finland for the seventh consecutive year**. In addition to representation and trusteeship work, [the Student Union SAMO](#) offers a wide range and activities for a **lively student community: tutoring, sports, events, hangout evenings, trips, free gym etc.**
- The Finnish Education Evaluation Centre (FINEEC) has awarded SEAMK the [Quality Label for Excellence](#) in higher education for enhancement work of an exceptional quality.
- We foster **close connections with working life**. Company-issued projects, development tasks, lectures, events and visits are a common practice.
- Our **campus, one of the most modern in Finland, is in a beautiful riverside area close to the city centre**, creating a great setting for studying and multidisciplinary encounters. **The location is also convenient for travelling by train** to many directions in Finland and beyond – only a few hours by train for example from our capital Helsinki and the neighboring Baltic countries in the south, a combined train and ferry ride to our neighbour Sweden in the west, and of course Lapland in the north, which is an all-time favorite among our international students.
