Key facts

- Myongji University, founded in 1948, is one of Korea's leading private universities with campuses in Seoul and Yongin.
- The University provides a wide range of academic programmes in the humanities, social sciences, business, engineering, natural sciences, ICT, architecture, design, and arts. Through partnerships with universities around the world.
- Myongji University welcomes exchange students every semester and offers a rich learning enviroment with a wide range of English-taught courses while providing peer-to-peer support with its unique buddy program.

Academic year 2026-27

Fall Semester

Orientation Day	28 August 2026
Teaching	1 September - 4 December 2026
Exams	7 - 14 December 2025

Spring Semester

Orientation Day	Late February 2027
Teaching	2 March - Mid June 2027
Exams	Early June 2027

Please refer to the MJU Exchange Student Guide for the most up-to-date information before your arrival:

https://sites.google.com/mju.ac.kr/exchange-guide/home?authuser=0

Orientation

An orientation program is held approximately one week before the semester begins. During the orientation, students receive information on course registration, the Residence Card (RC) application process, academic procedures, and campus life. Students will also meet their Oulami Buddies, who will assist them with settling into university life and adapting to life in Korea.

Academic information

Entry requirements

To apply to study on exchange youmust:

- Be nominated by your home university to study on an exchange agreement
- Have completed at least two semesters (one academic year) of study at their home university before the start of the exchange program.
- Must be a foreign national (students with dual citizenships who holds Korean passport are not eligible)

Looking for courses

Course List

Please note:

- Students may only register for courses offered on their assigned campus (Seoul or Yongin).
- Course registration is subject to prerequisites, class capacity, and departmental approval.
- MJU cannot guarantee enrollment in all preferred courses.
- Students may change their courses only during the official add/drop period.

Academic Information

Detailed information on course registration, course lists, syllabi, grading, and academic regulations is available in the MJU Exchange Student Guide.

Academic information

Course Registration

Course registration is conducted online before the semester begins according to the schedule announced by MJU.

Please note:

- Students may register only for courses offered on their assigned campus (Seoul or Yongin).
- Course registration is subject to class capacity, prerequisites, and departmental approval.
- Students may change their courses only during the official add/drop period.
- MJU cannot guarantee enrollment in all preferred courses

Credits

Exchange students must register for a minimum of 12 credits and a maximum of 17 credits per semester.

CREDITS	INFORMATION
Minimum Course Load	**12** MJU credits per semester
Maximum Course Load	**17** MJU credits per semester
Teaching Hours	Each MJU credit consists of 15 teaching hours
ECTS Equivalency	1 MJU credit is equivalent to **2 ECTS** credits.

Application process

Students must first be nominated by their home university.

After nomination, MJU will send an email with instructions for the online application. Students are required to complete the online application and submit all required documents by the application deadline.

https://international.mju.ac.kr/enter/enter_eng_05.php?sMenu=eng25

Once the application is approved, MJU will issue the Letter of Acceptance and Certificate of Admission. Detailed application procedures are available in the **MJU Exchange Student Guide.**

Application deadlines

Applications must be submitted by the following deadlines:

- **31 May** for students starting in September
- **30 November** for students starting in March

Applications must be submitted by the published application deadline. Late or incomplete applications may not be accepted.

Students are advised to submit all required documents as early as possible. Detailed application deadlines and procedures are available in the MJU Exchange Student Guide.

Transcripts

Official transcripts will be issued after the completion of the semester and sent directly to the student's home university.
Students should contact their home university regarding the transfer of credits.

Language Proficiency Requirements

Applicants must meet the minimum language proficiency requirement for their selected track.

Applicants must meet the minimum language proficiency requirement for their selected track and submit a valid language proficiency certificate.

English Track
- TOEFL iBT : 70
- IELTS Academic : 5.5 (overall)
- CEFR : B1
- TOEIC : 750

Korean Track
- TOPIK : Level 3

Language Test Waiver

Applicants may be exempt from submitting language test scores if they:
- are from a country where English is an official first language; or
- submit an official language proficiency letter issued by their home university.

The official letter must:
- confirm that the applicant meets the required language proficiency level for the selected track;
- confirm that the applicant is capable of following courses conducted in the selected language; and
- include an official signature and university stamp.

For the latest language requirements and accepted qualifications, please refer to the MJU Exchange Student Guide.

Visa & Immigration

Most exchange students are required to obtain a **D-2-6 (Exchange Student) Visa** before entering Korea.

Students staying in Korea for **more than 90 days** must apply for a Residence Card (RC) after arrival.

Detailed instructions regarding visa application and the RC application process will be provided before and during the orientation.

For more information, please refer to the **MJU Exchange Student Guide**

National Health Insurance (NHIS)

International students staying in Korea for more than 90 days are automatically enrolled in the **National Health Insurance Service (NHIS)** after applying for a Residence Card.

Students are strongly recommended to purchase travel insurance to cover the period before **NHIS** coverage becomes effective.

More information is available in the **NHIS** section of the **MJU Exchange Student Guide.**

Living costs

Students should prepare sufficient funds for living expenses during their stay in Korea.

The estimated monthly living expenses (excluding tuition) are approximately:

- Accommodation: KRW 400,000–700,000 **(**approx. **EUR 250–440)**
- Meals: KRW 300,000–500,000 **(**approx. **EUR 190–310)**
- Transportation: KRW 60,000–100,000 **(**approx. **EUR 40–65)**
- Personal Expenses: KRW 200,000–400,000 **(**approx**. EUR 125–250)**

***EUR amounts are approximate and may vary depending on the exchange rate.*

Actual expenses may vary depending on individual lifestyle.

Accommodation

Accommodation options vary depending on the assigned campus.

- **Yongin Campus:** On-campus dormitory (4-person shared room) is available. Estimated fee: KRW 1,200,000 per semester.
- **Seoul Campus:** Exchange students should arrange off-campus accommodation. Information on accommodation partners is available.

For more information, please visit the **Accommodation** section of the MJU Exchange Student Guide.

Student Life & Support

Oulami Buddy Program

- Exchange students are matched with one MJU student buddy and up to three exchange students.
- The program includes nine Korean language tutoring sessions throughout the semester and two cultural experience activities to help students adapt to campus life and Korean culture.

Orientation Program

- Held approximately one week before the semester begins.
- Covers course registration, Residence Card (RC) application, academic procedures, campus life, and student support services.

Student Clubs & Activities

- Exchange students are encouraged to participate in campus festivals and various extracurricular activities throughout the semester.

Student Support Services

International Affairs Team

- Exchange student support
- Visa & Residence Card guidance
- Orientation
- Academic assistance

Library

- Access to university libraries and study spaces.

Health Center

- Basic healthcare services for students.

Exchange student guide

University campuses

Social Science Campus (Seoul)

Located in the heart of Seoul, the Seoul Campus offers courses primarily in the humanities, social sciences, business, education, and the arts. It is also home to the Main Library, student support services, and a variety of campus facilities for student life.
Most exchange students studying business, economics, political science, communication, Korean language, and other social science or humanities subjects will take classes at the Seoul Campus.

Natural Science Campus (Yongin)

Located in Yongin, Gyeonggi Province, the Natural Science Campus offers courses primarily in engineering, natural sciences, information and communication technology (ICT), architecture, and design.
Most exchange students studying engineering, computer science, architecture, design, and natural sciences will take classes at the Natural Science Campus.
