General regulations to protect against new infections dated 2 August 2021*

• Adhere to **social distancing** regulations wherever possible

• Ensure adequate ventilation in closed rooms!

• **FFP2 masks are mandatory** on university grounds in the buildings and in closed rooms at all TH Rosenheim locations; employees are required to wear surgical masks.

Face masks only have to be worn at your desk or workplace where it is not possible to observe social distancing and there are no individual protective measures.

• No entry for those displaying symptoms which could indicate a COVID-19 illness or for those obliged to stay in quarantine at home

• **Hygiene measures**

  **Hände sorgfältig waschen**

  **Hände vom Gesicht fernhalten**

  **In den Ärmeln Husten und Niesen**

  **Regelmäßiges Lüften**

Contact with the public:

- Contact with the public is to be reduced to the absolute minimum. Contact should be made via telephone, post or digital communication (e.g. e-mail, video conference) wherever possible.

Conferences, conventions, trade fairs / parties

- Conferences, conventions, trade fairs and similar events are permitted in accordance with the provisions in Section 17 of the 13th BaylfSMV (Bavarian Infection Protection Measures Regulations).
- Parties and celebrations are permitted in accordance with the provisions in Section 7 of the 13th BaylfSMV.

Internal meetings:

- Internal meetings should preferably be carried out using digital technologies.
- Attendance events such as meetings, consultations, professorial appointment presentations, job interviews, etc. are permitted. A special protective concept applies.

Lectures:

- **Incidence rates up to 50:**
  Obligation to wear FFP2 masks, voluntary testing concept for students and employees, no mandatory social distancing

  (examinations)

- **Incidence rates 50 to 100:**
Obligation to wear FFP2 masks, students must provide a negative test result, no mandatory social distancing.

- **Incidence rates of over 100:**
  Obligation to wear FFP2 masks, students must provide a negative test result, mandatory social distancing of 1.5m

- All participants at every practical face-to-face event / course are obliged to document their attendance via the Learning Campus, so that chains of infection can be traced.

- The special hygiene concepts in the Health section remain unaffected by this.

- Teachers are responsible for adherence to protective regulations in the labs, and therefore have authority.

**Examinations:**

- Attending examinations is only permitted if the minimum social distance of 1.5 m between all participants is guaranteed. An FFP2 mask must be worn until students are seated at their desk. Once at their desk, they can exchange the FFP2 mask for a surgical mask. FFP2 masks are mandatory for invigilators.

- The voluntary testing concept for students applies.

**The library:**

- The library is open with reduced operations. More information can be found here: [https://www.th-rosenheim.de/die-hochschule/einrichtungen/bibliothek/](https://www.th-rosenheim.de/die-hochschule/einrichtungen/bibliothek/)

**Field trips:**

- Are only allowed if postponing / cancelling them would lead to unreasonable disadvantages for the students.

- Only in Germany or in countries/regions abroad which do not have an increased risk of infection with the coronavirus SARS-CoV-2 (virus mutation regions, high-risk regions); the decisive factor here is the current RKI
publication on the travel days.

- Participants are themselves responsible for adhering to official hygiene regulations when travelling to and from the location or staying overnight.
- Only visit facilities/companies which can present an appropriate hygiene concept; the head of the field trip must check this.

**Business trips:**

- **Business trips** - only if it is not possible to postpone them, or digital alternatives are not available or not appropriate.
- **Business trips** - only in Germany or in countries/regions abroad which do not have an increased risk of infection with the coronavirus SARS-CoV-2 (virus mutation regions, high-risk regions); the decisive factor here is the current RKI publication on the travel days.
- The minimum social distance must be adhered to when sharing vehicles on business trips. If this is not feasible, the passengers who cannot maintain the social distance must wear a mask without an exhalation valve when in the car.

**Office workplaces & testing concept for employees:**

- Office work and working from home are to be conducted according to the individual University Management / occupational law provisions (https://www.th-rosenheim.de/intranet/abteilungen/personal/aktuelle-informationen/ & https://th-rosenheim.agu-hochschulen.de/aktuelles) and after consultation with your superior. The necessary work on site is to be organised in such a way that there is sufficient social distancing or individual protective options.
- Voluntary testing concept for employees and teachers:
University sports:

• Permitted in accordance with the provisions in Section 12 of the 13th BaylfSMV (Bavarian Infection Protection Measures Regulations).

Face-to-face university choir/orchestra rehearsals:

• The maximum number of participants for instrument and singing lessons is controlled by the size of the room available, whereby the minimum social distance prescribed in the framework concept by the Bavarian State Ministry for Science and Arts and the Ministry of Health and Care can be reliably adhered to.

* This takes into consideration the requirements of the 13th Bayerische Infektionsschutzmaßnahmenverordnung (Bavarian Infection Protection Measures Regulations) (13th BaylfSMV), last amended on 27 July 2021
