Scholarship options

| Ernst Mach Grant | The Ernst Mach Grant is a scholarship option for applicants wishing to study at an Austrian University of Applied Sciences. The scholarship is targeted at undergraduates and graduates of all disciplines from non-European countries. The duration of the funded mobility has to be between four and ten months with the student receiving a monthly grant rate of €1050.  
                              | Application deadline: March 1 for the following academic year  
                              | Applicants must not be older than 35 years.  
                              | Please visit http://www.grants.at for further information |

<tbody>
<tr>
<td>Orientation Week</td>
<td>In the week before the official semester start, the International Office will organize an orientation week for all new incoming exchange students to introduce them to their academic stay at FH Campus Wien and help them get settled in Vienna. All our incomings are also invited to join for an Austrian welcome dinner on the first evening of the orientation week. Our incomings can apply for a buddy who will provide assistance before and during their stay in Vienna.</td>
</tr>
<tr>
<td>Buddy network</td>
<td>FH Campus Wien does not offer German language classes, but our incomings can sign up for language classes at the Language Center of the University of Vienna. We recommend to take the trimester course for which students will receive 4 ECTS credits after successful completion. The University of Vienna will issue a separate transcript of records for the German language class. The International Office offers a €200,- scholarship for incoming students who have successfully completed their German language class.</td>
</tr>
</tbody>
</table>

1 Our Bioengineering programs usually start one week before the official semester start  
2 Based on the Common European Framework of Reference for Languages
## Study programs at FH Campus Wien

### Applied Life Sciences

**Bachelor**
- Bioengineering
- Molecular Biotechnology
- Sustainable Management of Resources
- Industrial Packaging Technology

**Master**
- Bioinformatics
- Biotechnological Quality Management
- Bioprocess Technology
- Molecular Biotechnology
- Packaging Technology
- Packaging Technology and Sustainability

E) program entirely taught in English

### Building and Design

**Bachelor**
- Architecture – Green Building
- Civil Engineering and Construction Management

**Master**
- Architecture – Green Building
- Civil Engineering and Construction Management

### Health Sciences

**Bachelor**
- Biomedical Science
- Dietetics
- Occupational Therapy
- Midwifery
- Logopedics – Phoniatrics – Audiology
- Orthoptics
- Physiotherapy
- Radiological Technology

**Master**
- Health Assisting Engineering

### Applied Nursing Science

**Bachelor**
- Health Care and Nursing

### Social Work

**Bachelor**
- Social Work
- Social Management in Early Education and Care

**Master**
- Children- and Family-centered Social Work
- Spatial and Clinical Social Work
- Social Economy and Social Work

M) European Joint Master Program

### Engineering

**Bachelor**
- Applied Electronics
- Clinical Engineering
- Computer Science and Digital Communications
- High Tech Manufacturing

**Master**
- Electronic Systems Engineering
- Green Mobility
- High Tech Manufacturing
- IT-Security
- Safety and Systems Engineering
- Software Design and Engineering
- Technical Management

### Administration, Economy, Security, Politics

**Bachelor**
- Integrated Safety and Security Management
- Public Management
- Tax Management

**Master**
- Integrated Risk Management
- Public Management
- Tax Management
