Coronavirus SARS-CoV-2 / COVID-19 Update: Important information for international students travelling or returning to Germany

January 27, 2022

Travel restrictions and (re-)entry regulations due to COVID-19

When planning your trip to Germany please keep in mind that the situation is still dynamic. Please make use of the continuously updated information from the authorities, in particular the Robert Koch Institute (RKI) as well as the respective travel information from the Federal Foreign Office.

Daily situation reports in German and English (RKI): https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Situationsberichte/Gesamt.html

How you can get tested:

An appointment must be made for the test online. Please note that tests are only possible for persons without Covid-19 symptoms, or without contact with a person who may have contracted Covid-19.

FFP2 masks are mandatory when using public transport as well as in retail outlets.

FFP2 masks have to be worn in all forms of public transport, supermarkets and shops. You can buy them in pharmacies and usually in drugstores and supermarkets.

Regardless of travelling, the health authority urges all citizens to continue to adhere to the valid safety rules and hygiene guidelines, in particular, the minimum distance requirement of 1.50 meters, coughing and sneezing etiquette, washing hands regularly and the use of everyday masks and FFP2 masks.

As soon as cold symptoms appear, please stay at home and keep away from other people.
