- Practice-oriented education with more than 100 laboratories
- Welcoming atmosphere with close contact between lecturers and students
- German language courses and career workshops for free
- Mountains on the horizon and leisure activities at every turn
Study at TH Rosenheim

Bachelor’s Degree Programmes

We offer a wide range of Bachelor’s degree programmes basically taught in German. Most study programmes comprise seven semesters and 210 ECTS credits.

BUSINESS STUDIES
• Business Administration (B.A.)
• Business Mathematics – Actuarial Sciences (B.Sc.)
• E-Commerce (in English, B.A.)

TECHNOLOGY STUDIES
• Applied Artificial Intelligence (in English, B.Sc.)
• Business Information Systems (B.Sc.)
• Chemical Engineering (B.Eng.)
• Chemtronics (B.Eng.)
• Computer Science (B.Sc.)
• Construction Engineering (B.Eng.)
• Electrical Engineering and Information Technology (B.Eng.)
• Energy and Building Technology (B.Eng.)
• Engineering Pedagogy (B.Eng.)
• Environmental Technology (B.Eng.)
• International Bachelor of Engineering (in English, B.Eng.)
• Interior Engineering (B.Eng.)
• Management and Engineering (B.Eng.)
• Mechanical Engineering (B.Eng.)
• Mechatronics (B.Eng.)
• Medical Technology (B.Eng.)
• Plastics Engineering (B.Eng.)
• Wood Building and Construction (B.Eng.)
• Wood Technology (B.Eng.)

DESIGN STUDIES
• Architecture (B.A.)
• Interior Architecture (B.A.)

HEALTHCARE AND SOCIAL STUDIES
• Applied Psychology (B.Sc.)
• Education of Children (B.A.)
• Healthcare Management (B.Sc.)

Study at TH Rosenheim
English-Taught Degree Programmes

Bachelor’s in Applied Artificial Intelligence (B.Sc.)
Artificial intelligence (AI) is the subject of the present and the future. It penetrates all areas of daily life. AI is multifaceted, has a wide range of potential uses and requires broad knowledge for its application, which is what we want to provide you with!
→ www.th-rosenheim.de/applied-artificial-intelligence-bachelor

International Bachelor of Engineering (B.Eng.)
Modern life would be impossible without the technological advantages and innovations presented by engineering. This programme specifically aims at young internationals interested in a broad range of engineering subjects.
→ www.th-rosenheim.de/ibe

Bachelor’s in E-Commerce (B.A.)
E-Commerce is a key element for almost any business, offering new opportunities to seamlessly commercialise products and services on a global scale. This programme combines a strong foundation in business administration skills with an up-to-date, specialised education around E-Commerce and digital business topics.
→ www.th-rosenheim.de/en/business/e-commerce-bachelors-degree

Master’s in Engineering Sciences (M.Eng.)
Specialisations: Electrical Engineering and Information Technology / Mechatronics / Mechanical Engineering and Plastics Engineering
Technology shapes our lives – it develops at a breath-taking pace, poses increasingly complex challenges and offers almost unlimited career opportunities. This course prepares students for demanding engineering activities as well as a fast track into project and leadership responsibility, primarily in international companies.
→ www.th-rosenheim.de/engineering-sciences-master.html

Master’s in Hydrogen Technology (M.Sc.)
The course Hydrogen Technology focuses on technologies that are necessary for the implementation of a future hydrogen economy. Innovation management, the economic evaluation of different technologies and the integral consideration of complex networked hydrogen systems are central contents.
→ www.campus-burghausen.de/masterstudiengang-hydrogen-technology/

Master’s in International Management (M.A.)
Medium-sized companies are the driving economic force in Germany. The need for entrepreneurial and strategic thinking specialists and executives is high. This programme focuses on the special requirements of future managers for companies with regional roots and global orientation.
→ www.th-rosenheim.de/international-management

Master’s in Wood Technology (M.Sc.)
A wide range of knowledge and skills are expected in managerial positions in the international woodworking industry. The programme in Wood Technology qualifies graduates for those leadership positions, and places emphasis on developing the skills needed to understand and apply the latest wood and timber technologies.

**Online Application Portal**
You apply using the university’s application portal. The application assistant will help you complete the online application step by step. Submit your application as early as possible. Check the application portal regularly, to finish successfully the whole process from your application towards admission and finally your enrolment at TH Rosenheim.

**Guidance on Application / Step by Step Instructions**
→ www.th-rosenheim.de/application

**Educational Requirements**
Your higher education entrance qualification has to meet TH Rosenheim’s requirements of direct access to admission. Check whether you are eligible to apply on the admission database of the German Academic Exchange Service (DAAD).

**Types of Higher Education Entrance Qualifications: You...**

...have direct access to admission, be it general or subject-specific
...need extra academic experience in your home country (a specific number of semesters depending on the country in which you got your certificate)
...need to do a preparatory course in one of Germany’s Studienkollegs
...are not eligible to apply with your certificate

Mostly, the school-leaving certificates issued by EU countries as well as Great Britain, Liechtenstein, Iceland, Norway and Switzerland are accepted as university entrance qualifications in Germany.

Checklist Application Process
For International Students

1. Inform yourself about
   • degree programmes
   • prerequisites / required documents

2. Apply Online
   • Register in online application portal
   • Choose a degree programme
   • Enter personal details and academic qualifications
   • Upload:
     - Copy of preliminary review documentation (VPD) by uni-assist
     - Copy of CV
     - Proof of having taken a German / English language examination

3. Stay Informed
   • Regularly check the status of your application to not miss anything
   • Look for a student accommodation
   • Non-EU-citizens have to apply for a student visa at the local German embassy well before the start of studies

4. Accept your Admission
   • Once we have reviewed your application, you will get a notice of acceptance or a notice of denial
   • Notice of acceptance: Request enrolment at the online application portal
   • Contact your health insurance company for an electronic report about your insurance status (M10)
   • Upload additional documents for enrolment
     - Proof of having paid the student union contribution
     - Certificate of removal from your previous university, if necessary
   • Notice of denial: Gather the missing documents indicated on the online application portal and reapply or get further academic experience to meet the requirements

5. Prepare your Stay
   • Get a visa as soon as possible
   • Arrange your journey to and your stay in Germany
   • Apply for an accommodation well in advance!

Welcome to TH Rosenheim

Start of Studies
Winter Semester 1 October
Summer Semester 15 March

Application
Winter Semester 1 May – 15 Jun/15 Jul
Summer Semester 15 Nov – 15 Dec/15 Jan
Rosenheim is really nicely located and a very charming city. Its location is extremely convenient because it is surrounded by mountains perfect to hike, amazing lakes and other cities to visit."

Alicia Pérez from Mexico

Preparing your Stay

Visa and Health Insurance

Visa requirements
Students from countries within the European Union do not need a visa to enter Germany. International students from countries not part of the EU will have to procure a visa in order to study in Germany. The visa application must be submitted to the local German embassy well ahead of your stay. The costs may vary, but generally a visa costs about 80 €. Please contact your local German embassy for a detailed list of documents needed for a visa.

Student Visa

Even if you have not received your admission letter yet, you should apply for a student visa as soon as possible. Student visas are only issued for a period of up to three months. After your arrival in Germany, you will need to apply for a student residence permit at the Immigration Offices of Rosenheim, Burghausen or Traunstein.

Proof of financial resources
If you are an international student from a non-EU country, you must prove that you have the financial resources to cover your living expenses in Germany. Proof of financial resources is an important condition to get your student visa and your study residence permit. The amount required to be deposited into the German blocked account when applying for a student visa to Germany is 10,332 € or 861 € per month for your planned stay (initially up to 12 months).

→ www.th-rosenheim.de/visa-requirements

Health insurance
As health insurance is mandatory in Germany, you need to provide proof of health insurance recognised in Germany. German health insurance companies are either public or private. You can get German statutory health insurance, or, if you already are fully insured in your home country, provide proof of exemption from the German statutory health insurance upon enrolment. Please remember that providing proof of health insurance recognised in Germany is necessary upon enrolment at TH Rosenheim.

Public universities in Bavaria do not charge tuition fees for full-time undergraduate and graduate courses, neither for German nor for international students. The only fees are 75 € student services fee per semester, including your student ID card. You can use your ID card for paying on campus (e.g. in the mensa, for printing) and for the library. Rosenheim, Burghausen and Traunstein are affordable places to live compared to many big cities. You can also live cheaply by shopping at the weekly markets, and by cooking your own meals. As these cities are on the smaller side, you can easily manage to walk or cycle everywhere instead of taking the bus, and thus further reduce your living expenses. You do not need a car as you can easily discover Germany by public transport.

Housing
As the different campuses of TH Rosenheim are popular places to live, there is often a shortage of accommodation. Start to look early for a private place at:

→ www.wg-gesucht.de/en/

Further information
→ www.th-rosenheim.de/housing

No tuition fees!

Student Residences
Our Student Union offers affordable accommodation in Rosenheim for students and provides a comfortable infrastructure. International degree-seeking students apply directly at the Munich Student Union for accommodation.

Student Life
Arrival and Getting Around

From Munich Airport it takes approximately 1.5 hours to get to Rosenheim. Take the suburban train (S-Bahn) S8 direction Munich East and get there on the train Meridian direction Salzburg or Kufstein.

Train connections
→ www.bahn.com/en

Getting Around by Train / Deutsche Bahn
The cheapest way to get around in Bavaria on train, is the Deutsche Bahn (DB) “Bayern Ticket”. The ticket is valid from 09:00 am to 03:00 am on the following day, all day on weekends, and on Bavaria-wide public holidays. You can also use the ticket for further public transport in Bavarian cities.

→ www.bahn.com/en/booking-information/db-navigator-app
Services
Central Student Advisory Office

If you have general questions about studying at TH Rosenheim, the Central Student Advisory Office can help and advise you.

Starter Programme for New Students

Before the official start of semester, new students are invited to take part in a starter programme. Our staff officially enrols the new students, shows you the important facilities on campus with a campus tour and explains the formalities of studying in Rosenheim. In addition, there is also offered a varied programme of leisure activities, including a city tour, a get together and excursions to exciting places nearby.

→ www.th-rosenheim.de/advisory_office

Language Centre

There is a wide range of German and other language courses at our Language Centre. The language tandem offered by the Language Centre is a great possibility to communicate directly with a native speaker and improve one’s language proficiency. Since the whole process is reciprocal, both tandem partners will benefit.

→ www.th-rosenheim.de/en/studies/language-centre

Certificates

Receive your free Intercultural Competence+ and Professional Skills+ Certificate with general elective subjects from the Faculty of Applied Natural Sciences and Humanities. Three general elective subjects from the following sections must be successfully completed:

- Social skills
- Foreign languages
- Entrepreneurship
- General Education

→ www.th-rosenheim.de/intercultural-competence
How do you write a successful application? And how do you prepare for an online interview?

Our Career Centre offers many (online) workshops in English and German for free!

Looking for a job offer? Use the TH Rosenheim online job board once you are enrolled

Facebook for International Students
Interested to meet with international students at TH Rosenheim? Join us on Facebook!
→ www.facebook.com/throzenheiminternational/

Local Erasmus Initiative (LEI)
LEI is TH Rosenheim’s Local Erasmus Initiative by students – for students, welcoming and integrating all international students in university life. During the semester LEI and the International Office organise many leisure activities inviting international students to get to know the city and surrounding area, and to meet both German and other international students.

Student Parliament (StuPa)
The student representation promotes students’ voices at the university and faculty level, and plays an active role in structuring university life. All interested students are invited to contribute to one of the several departments or working groups.

→ www.facebook.com/LEI.Rosenheim.TH/
→ www.instagram.com/lei_rosenheim/
If you like nature and outdoor activities, you are located within a stone’s throw from the mountains and lakes where you can do a lot of sports and activities like hiking, swimming, sailing, skiing and much more.

- Go hiking and enjoy beautiful sunsets also on top of Germany’s highest mountains.
- Visit Munich and the famous Oktoberfest. Just hop on the train and be in the hustle and bustle of Bavaria’s state capital where you can enjoy many historical sights, numerous shops and crazy night life.
- Visit the National Park Berchtesgaden with the emerald green lake Königssee.
- Visit Austria, just around the corner. You can reach the beautiful historical city of Salzburg in just one hour by train.
- Chill out at lake Chiemsee and visit the famous fairy tale castle “Herrenchiemsee” on one of the islands.
- Visit Burghausen and the world longest castle. Burghausen fascinates with the longest castle in the world, a beautiful medieval town and a wide range of leisure, sports and cultural activities.
- Enjoy a coffee or tea and the Mediterranean flair of Bavarian city centres.
- Italy, Switzerland and the Czech Republic can easily be reached on weekend trips.

Traditional ‘Holzer‘ Hat

Each student of the Bachelor’s degree programmes in wood technology and construction at TH Rosenheim receives a hat during the traditional ‘Holzer’ hat ceremony in the final semester.

For decades, the ‘Holzer’ hat has ventured as a symbol of fellowship and unity. The hat model is uniform, but students can customise it with a hat band or pins.
