Application documents for exchange students
Link to the online application:

Step 1: Wait until being nominated (via email) by Rosenheim University of Applied Sciences for 1-2 semester(s) at University of A Coruña.

Step 2: Once selected by Rosenheim UAS, every student will have to fill out the online application available through the incoming exchange student PORTAL (see link above). Students should take into consideration that only one online application form per student will be accepted, so they can contact our office if they have any doubts regarding the information requested in the online application form, before clicking on the “submit” final button. At any time, the student can save parts of the information entered in the application form. Students should submit the online application only when they are sure that all of the information given is correct.

Very Important: Applications WILL NOT BE PROCESSED if the LEARNING AGREEMENT uploaded in the online application is not duly signed and stamped by the home university.
