Courses offered for exchange students
Link/s to the catalogue/s of courses: http://www.uma.es/oferta-de-grado/: select a faculty and degree. Once there, click on STUDY PLAN to see the single modules of each programme.
To access the website of the faculty and get information about timetables, exams, calendar, etc. click on http://www.uma.es/oferta-de-grado/: select a faculty. Once there, click on ACCESO AL CENTRO.

Language of instruction: Subjects are taught in Spanish. There are some courses offered in English, but we cannot guarantee that those courses will be available since they are highly demanded. There is a limit of 25 exchange students per course. Besides, those students who don’t speak Spanish usually experience difficulties in finding the appropriate courses and in communicating during their stay in Malaga. You can download a list of subjects taught in English (.pdf) on https://www.uma.es/relaciones-internacionales/cms/menu/erasmus/incoming-students/at-the-faculty/courses-schedules-and-calendars/.
