Degree Programme
International Bachelor of Engineering
(B.Eng.)

Rosenheim
Technical University
of Applied Sciences
BACHELOR’S DEGREE PROGRAMME
International Bachelor of Engineering

- Qualification: Bachelor of Engineering (B.Eng.)
- Duration: 8 semesters (7 theoretical and 1 practical)
- Credit Points (CP): 240
- Teaching language: English & German
- Special features: Start your studies in English and finish in German. Choose one out of nine engineering specialisations from either Campus Rosenheim or Campus Burghausen, cooperating closely with industry partners in the surrounding area.

Course profile
With the International Bachelor of Engineering, you will be internationally trained, well-educated in more than one language, professional on the highest level and will already have excellent connections to the industry to enter the job market immediately after graduation. You have the possibility to choose one out of nine specialisations:

<table>
<thead>
<tr>
<th>Rosenheim</th>
<th>Burghausen</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Electrical Engineering and Information Technology</td>
<td>• Chemical Engineering</td>
</tr>
<tr>
<td>• Energy and Building Technology</td>
<td>• Environmental Technology</td>
</tr>
<tr>
<td>• Mechanical Engineering</td>
<td>• Process Automation Technology</td>
</tr>
<tr>
<td>• Mechatronics</td>
<td></td>
</tr>
<tr>
<td>• Medical Technology</td>
<td></td>
</tr>
<tr>
<td>• Plastics Engineering / Sustainable Polymer Engineering</td>
<td></td>
</tr>
</tbody>
</table>

During the first three semesters, you will study in English, while simultaneously acquiring German language skills, starting with level A2 of CEFR. This will enable you to seamlessly change into the German-taught main study course after the third semester, in which you will be studying alongside German students.

Application
- Course starts: 15 March (summer semester)
- Application period: 1 November – 15 January
- Applications at ⇒ www.th-rosenheim.de/application
- Higher education entrance qualification checked by uni-assist
- Special language-related admission requirements (English B2, German A2)
